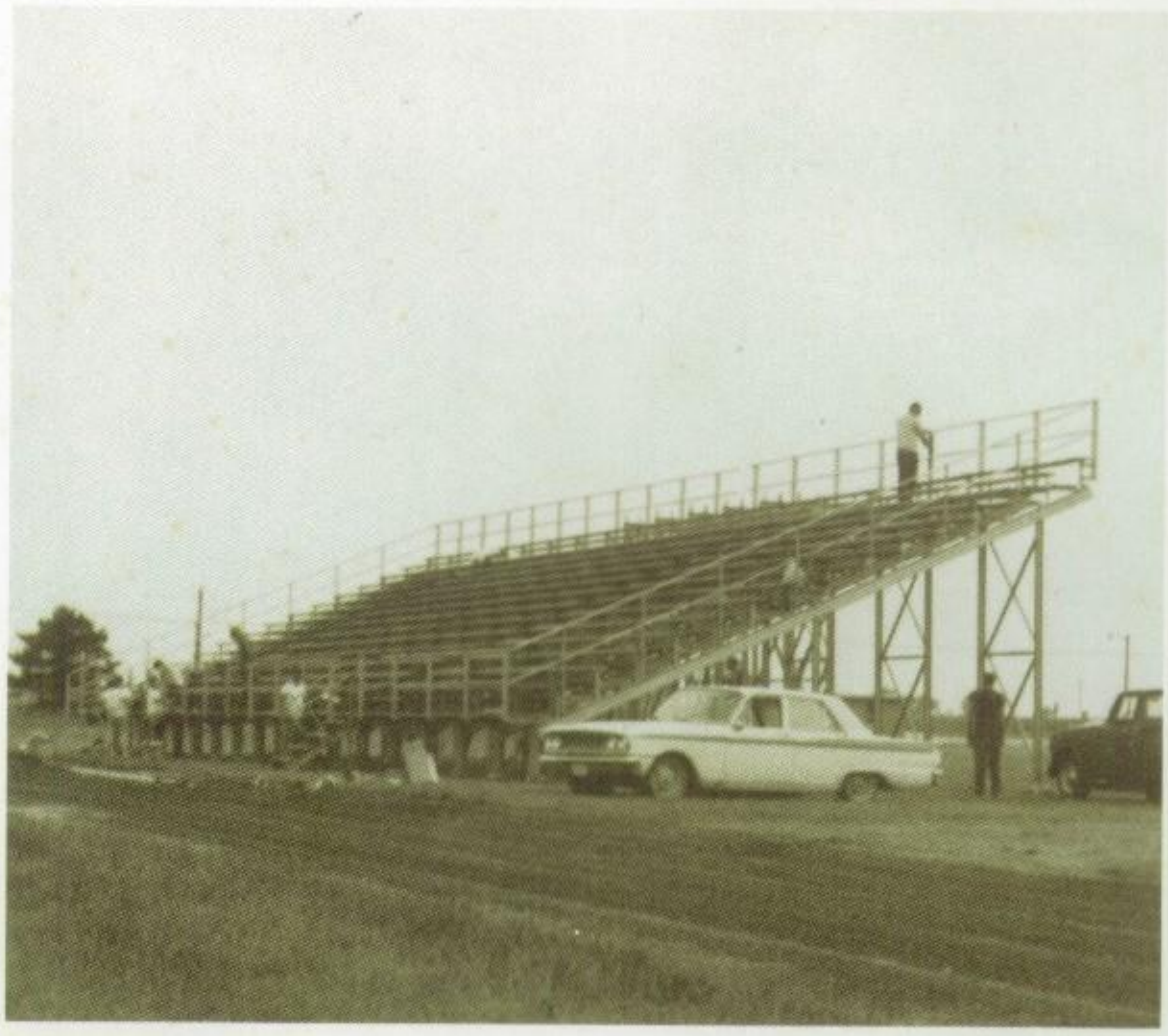
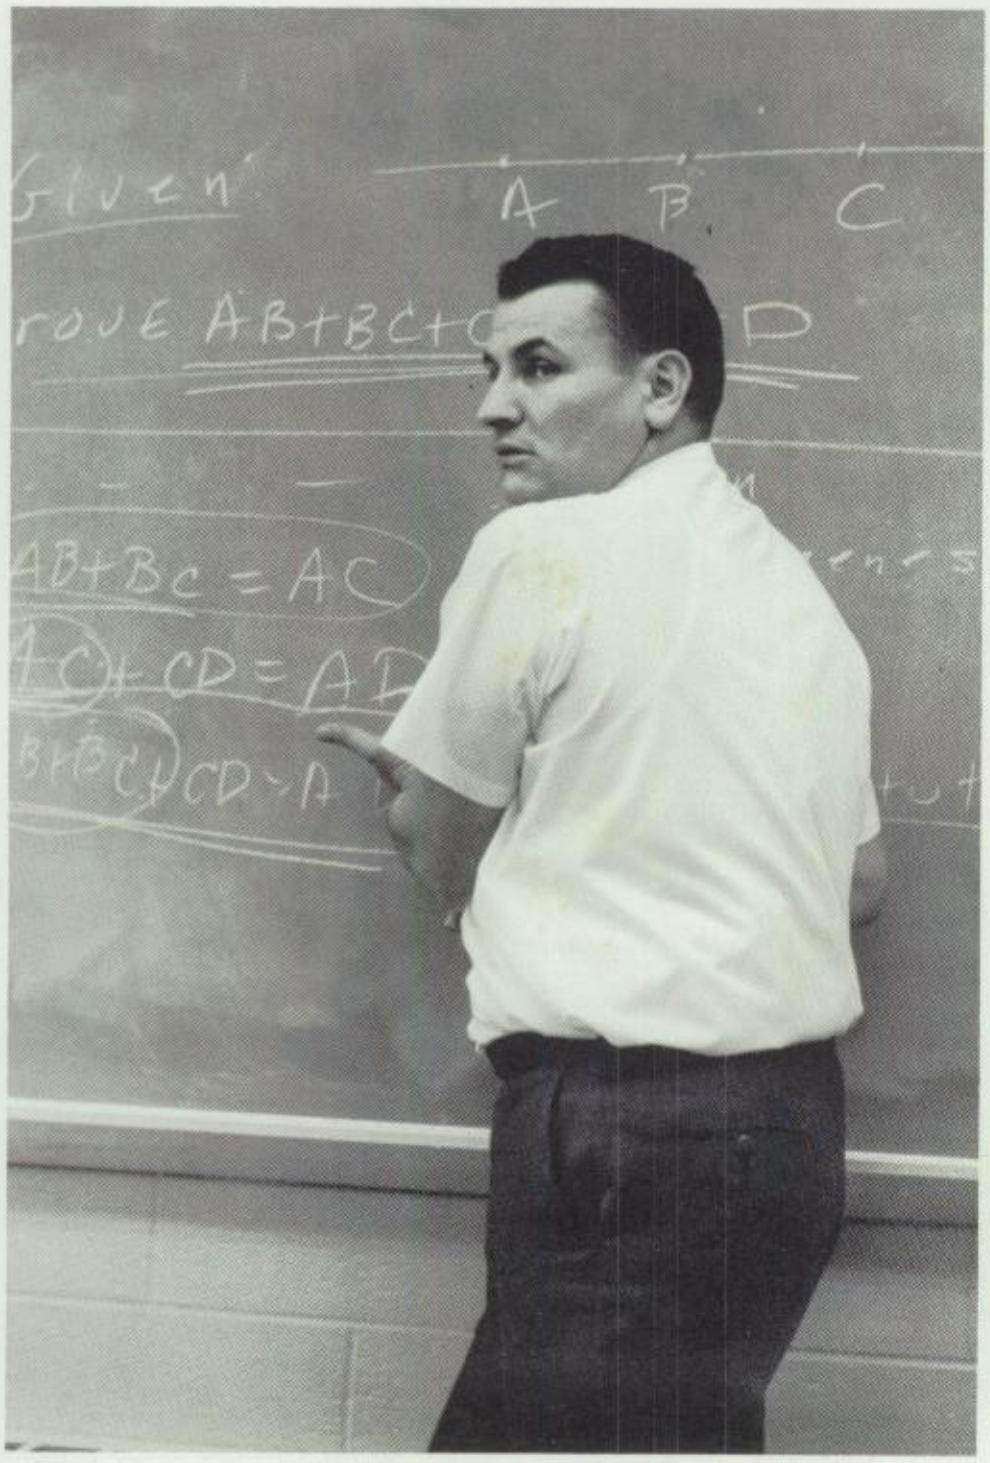
Passers-by, what do you see?



Do you see the joy of belonging,



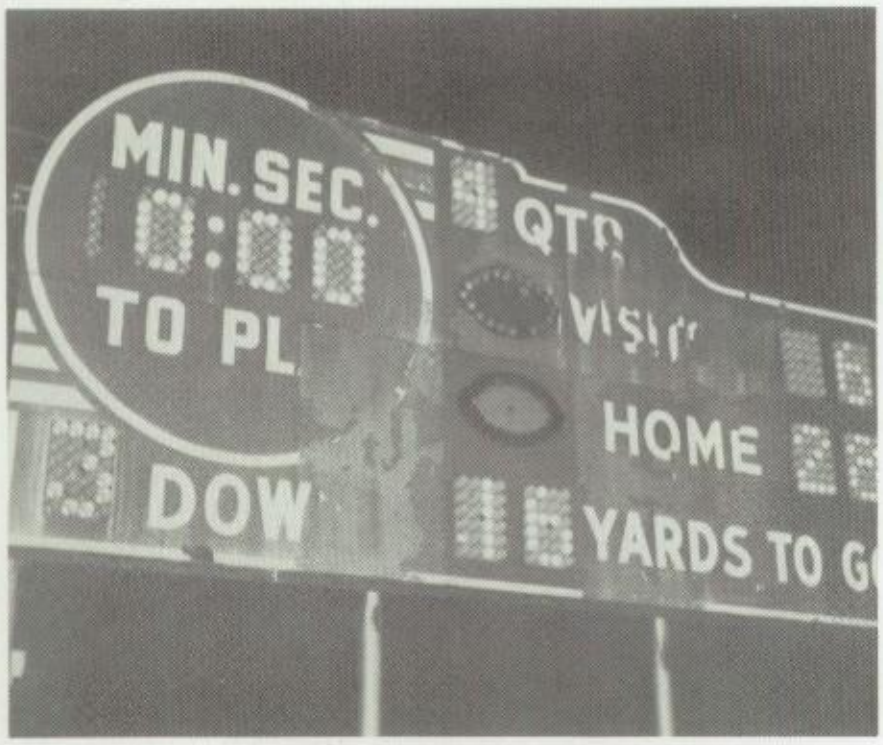
the dedication
of teaching,

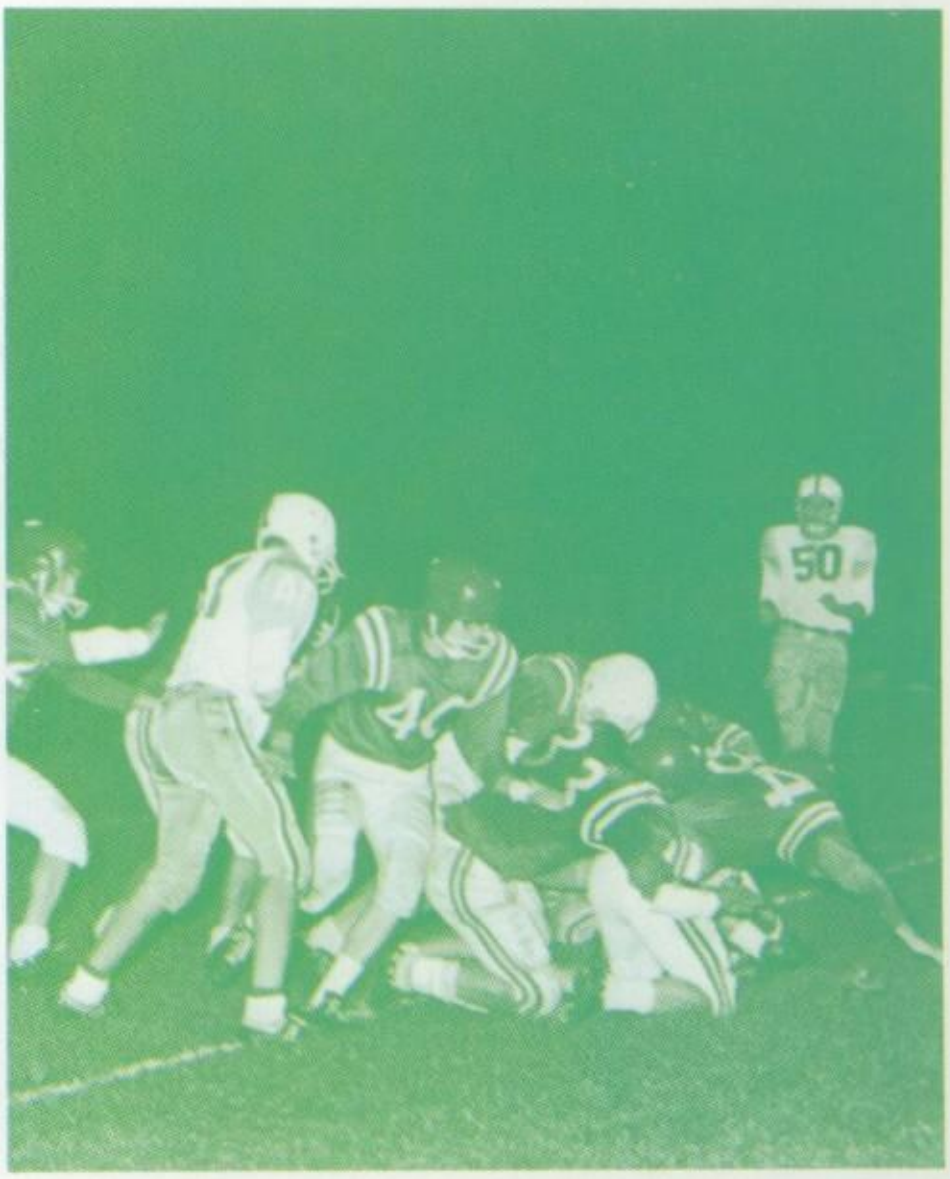
the pain of learning,

the spirit
of competing

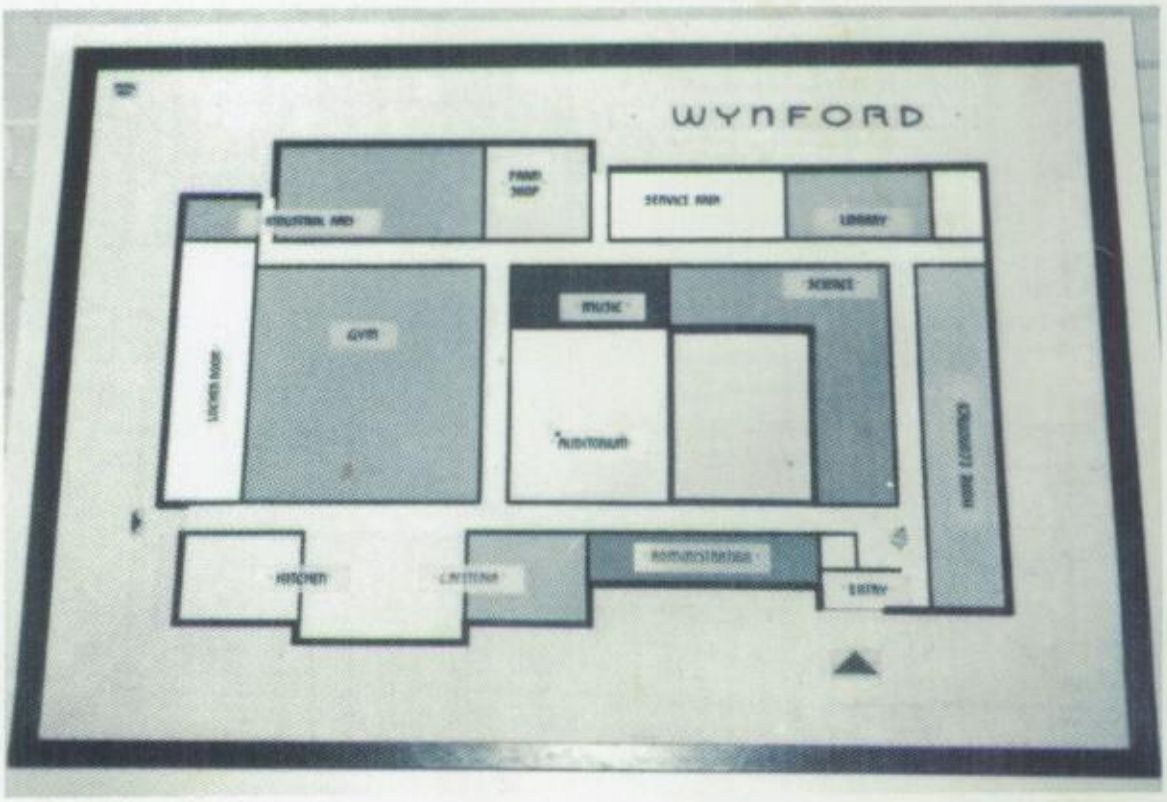
the satisfaction
of winning

and the disappointment of defeat!

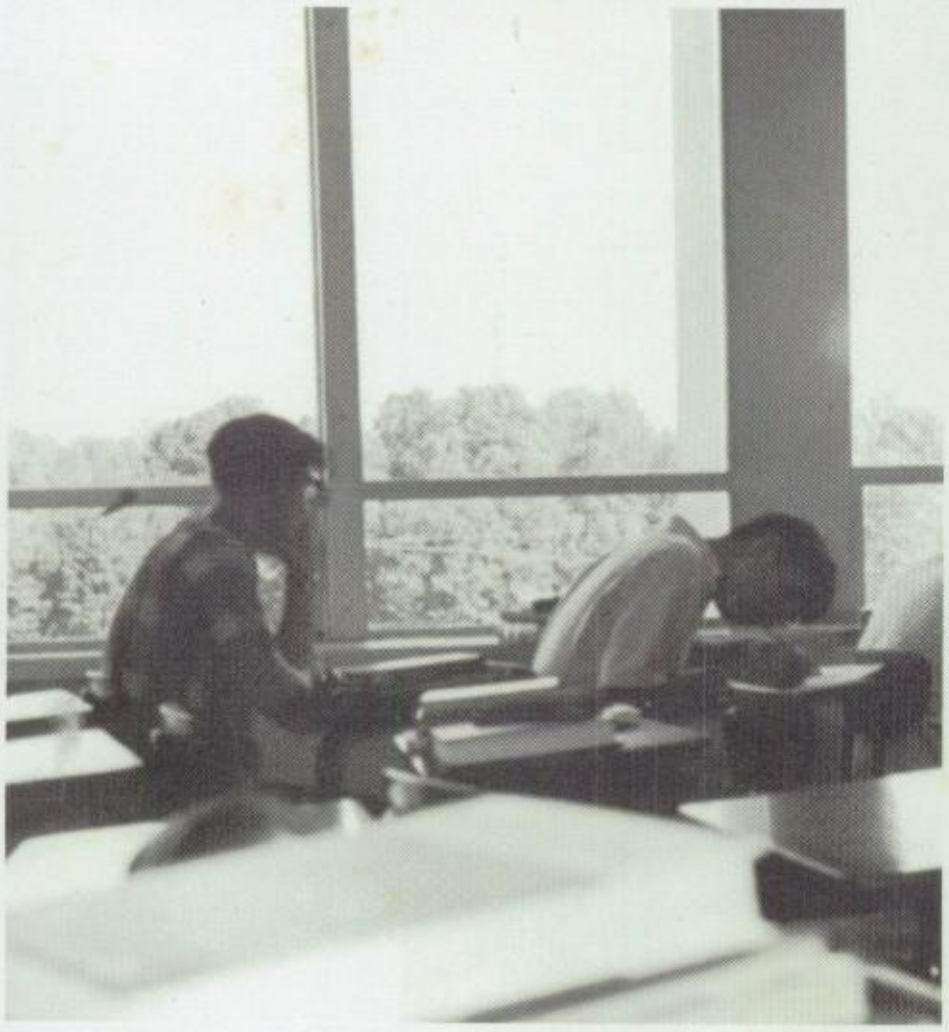




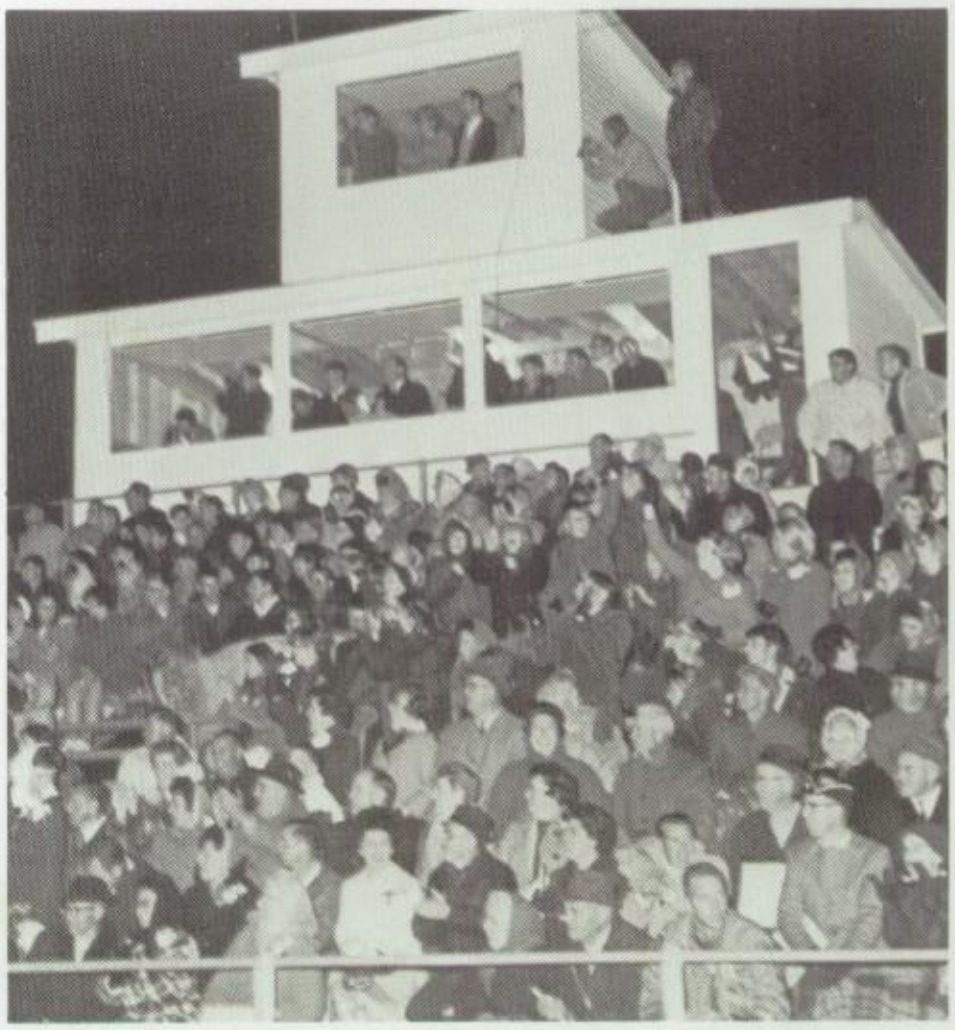
When you pass by do you remember these things or are you still a part of them?

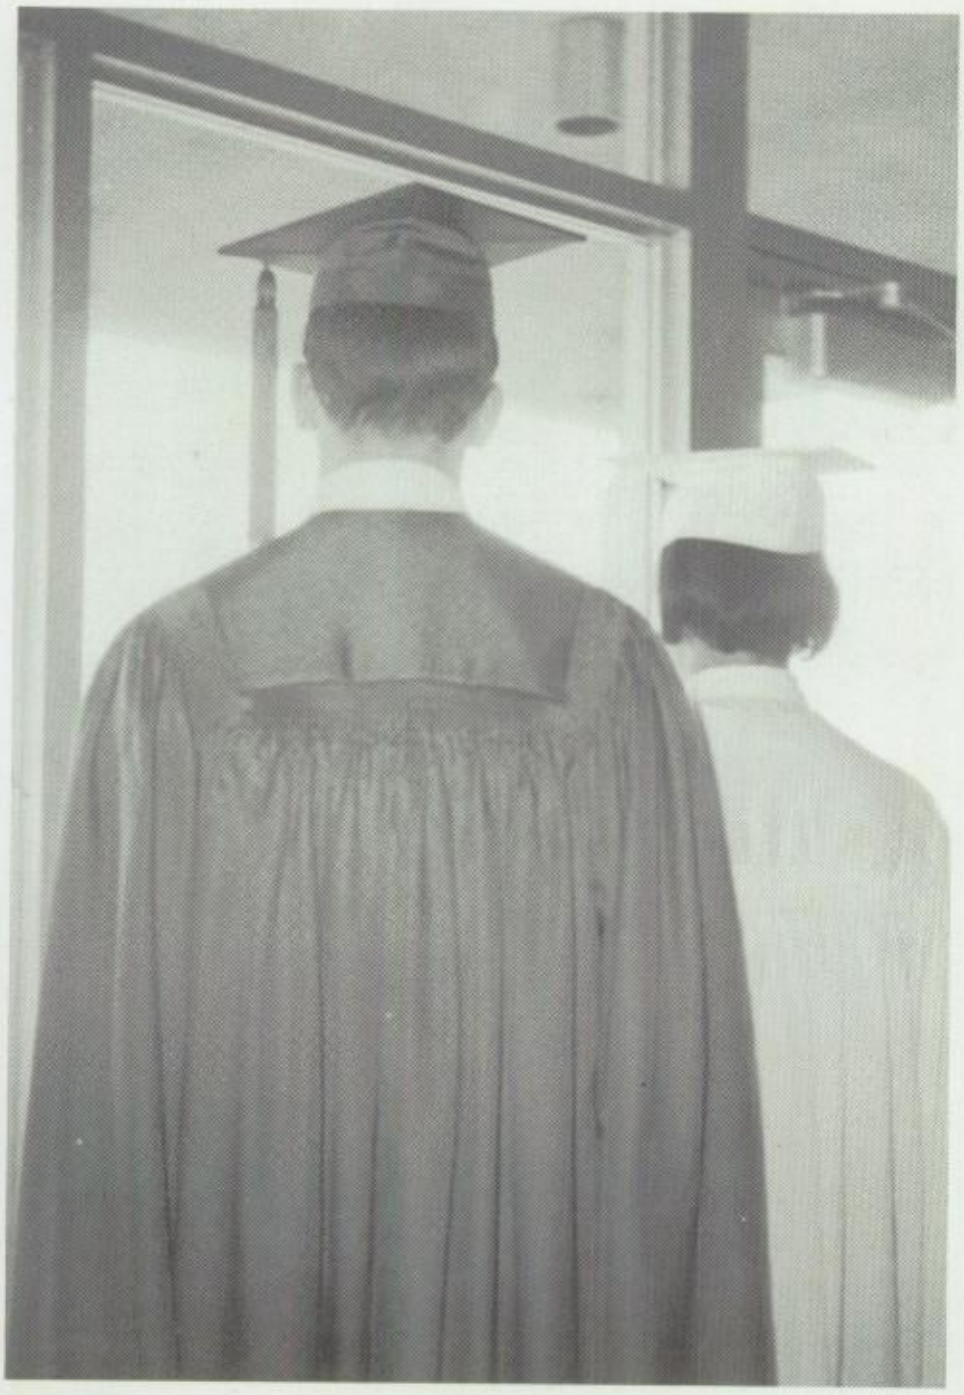


if you are still a part of them, they will mean much more to you when you no longer have them and you will dream and wish they were not in the past.



if you are no longer a part of them and can remember, that is good for i have made my mark on you.





i remember you! i remember everything you ever did. some of you had great ideals, goals, and ambitions. i helped you to realize them. some of you cared little about the future but you were also important to me.

who am i to be saying these things and how is it that i know what is in your mind? i helped to build your mind. i am your alma mater!

Dedication

We, the members of the Wynford Annual Staff, dedicate the 1969 ROYALE to Mr. Karl Dilley who, through his work in the Social Studies department, has helped many Wynford students better their understanding and establish their goals. We hope that many more students will benefit from his efforts in the future.

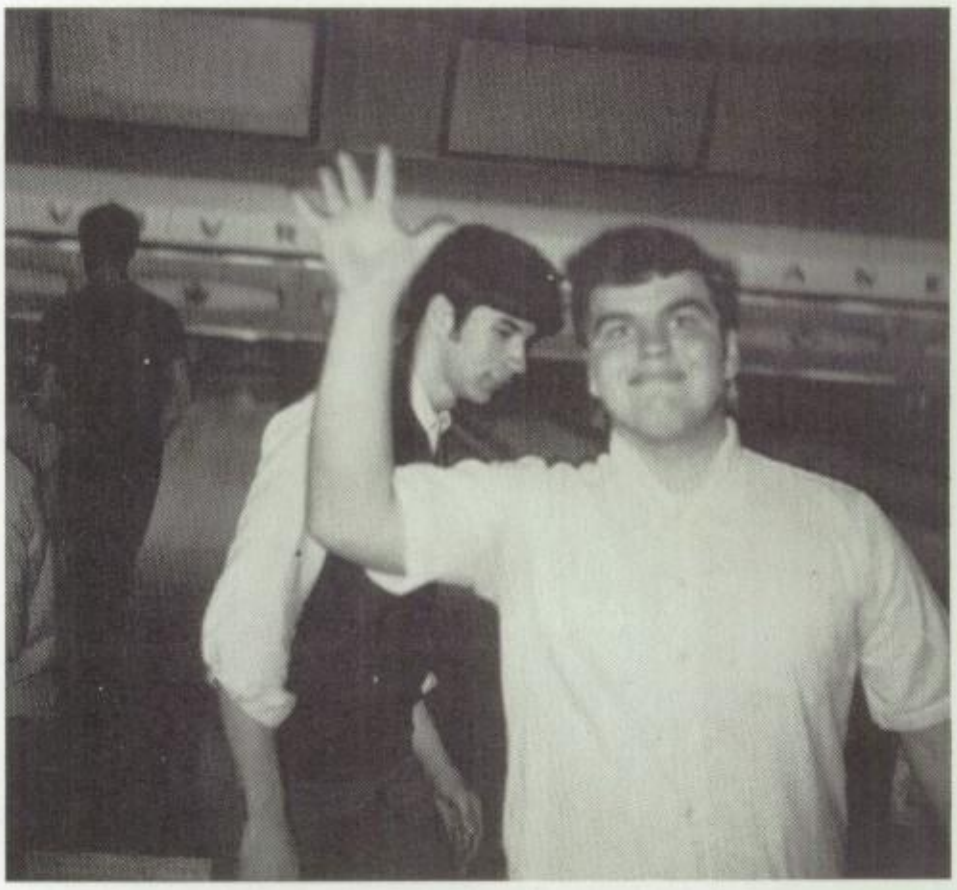
BOWLING HIGHLIGHTS

This year there are four different leagues among the Wynford bowlers. There is a Senior boys, Senior girls, Junior boys, and Junior girls league. At the end of the season the five boys and the five girls with the highest average are on the boys and girls tournament team. These two teams represent Wynford and compete against other teams for the county championship.



I only had five cavities this time!

The Wynford Girls Tournament Team won the County Championship trophy for the school and individual trophies were presented to Paula Sand, Captain; Debbie Pollock; Cheryl Stroud; Nancy Murphy and Pam Alheim. Other schools participating in the tournament were Bucyrus, Buckeye Central and Colonel Crawford. The boys Tournament Team included Fred Klink, Bruce Leuthold, Keith Sturtz, Paul Lust and Paul Weaver.

NATIONAL THESPIANS ENCOURAGES DRAMATICS

Last spring, Wynford High School instituted a new organization into the extra-curricular activities. Troupe 3096 of the National Thespian Society, a nationwide drama organization, now has assumed the full reponsibilities of a Thespian troupe. The group will put on skits and plays throughout the year in keeping with its dramatic foundations. The Thespians work closely with the drama club members, enabling them to earn points for membership in the Thespian troupe. Ten points are needed for membership. A point is earned for each ten hours of dramatic work done. Thespian members also work to earn points which count toward further awards. Being a Thespian brings a student not only fun but satisfaction.

Karen Croneis gives the thought-for-the-day, one of the projects of the Thespians.

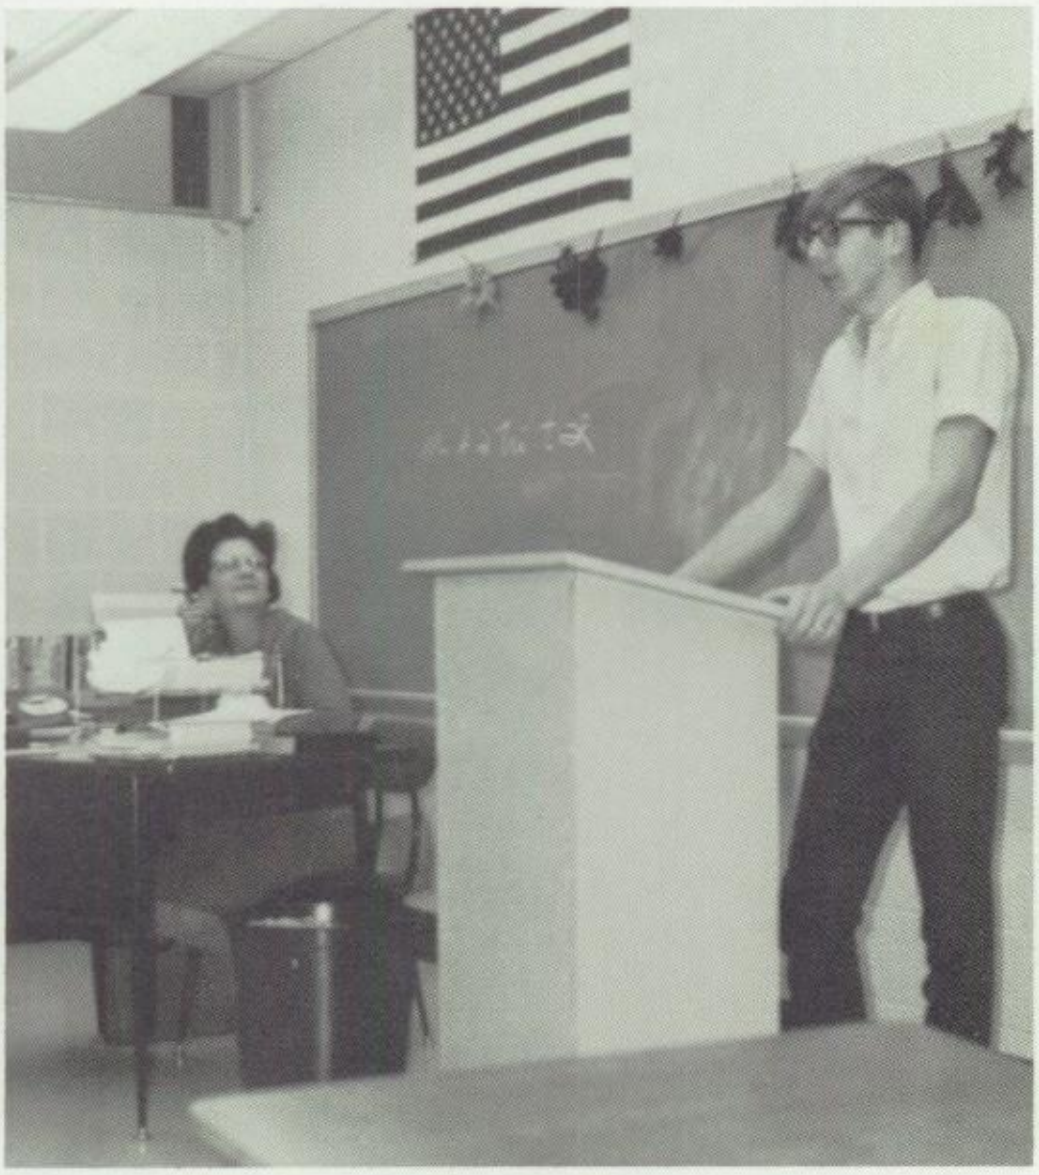
ROYAL DRAMATS IN SECOND YEAR

Mrs. Shaffer looks on as Mark Light delivers his speech.



The purpose of the Royal Dramats is to promote the skills of the dramatic arts. Members of the club do various things to earn points to become a member of the National Thespian Society. These points are determined by the hours of work done in the dramatic arts. Among the things that the club does are taking a trip to the Bowling Green Speech Clinic, participating in the Voice of Democracy Contest, and presenting a one-act play to the student body. The officers are: Mark Light, President; Chuck Ackerman, Vice President; Karen Durigg, Secretary; Becky Sand, Treasurer; and Gary Frost, Parliamentarian. Mrs. Shaffer is the advisor.

The Future Farmer learns the toils of farming. Private ownership and agricultural pursuit are analyzed and taught. The complex farming program is broken down into land, labor, and capital. VARSITY FOOTBALL

After a trying season the football team finished with a 1--8 record. Although they played a tough game all the way, it seemed they lacked the power and experience to win repeatedly. Several of Wynford's games were lost by last minute drives which penetrated our line. In their fifth game of the season Wynford fought for and received their one and only victory. This took place on a special night at Wynford--it was Parent's Night. After a 61 yard run by Neil Bardon, Wynford pulled ahead and from then on it was our game.

Cross-country is a fall sport in which competitors run over a certain course. The course is two miles long and is strung over hills and through clearings and woods.

Mr. Smith devoted many after school hours to developing the cross country team. Despite the lack of veteran competitors, Wynford put up a good race in every meet and proved that it will be a team to watch in the future.

If you don't have anywhere to go,

you might not go anywhere.

Whatever you want to do with your life, don't wait till tomorrow to do it. You might just wait around so long that tomorrow never comes.

Size up the opportunities now. If you're going on to college, visit your nearest Timken Company plant—in Canton, Columbus, Bucyrus, New Philadelphia, and Wooster, Ohio, or Colorado Springs, Colorado. Find out what it takes to fit into a job in finance, engineering, sales engineering, production, metallurgy or research.

If you have a brother, sister or friend graduating from college this June, have them write to our Manager of College Relations for a career application blank.

If you're interested in learning a skilled trade, write for our free booklet describing apprentice training programs. For ambitious high school graduates, few companies can equal the challenges we offer. Or the chances for success.

Your future has to start sometime. And the sooner the better.
